## FOREWORD

---

SINCE I took up the breeding of Shorthorns I have endeavored to produce a superior lot of cattle through the formula of females, equipped by their conformation and ancestry to become great breeding matrons, and mate them with the best bulls money could buy.

That I have succeeded will be evidenced sale day by the lots of my own breeding and calves that sell at foot by my bulls. The greater showing has been made by Imp. Bapton Corporal, the first imported bull brought into the herd. His initial results in my hands I am listing in the sale, some bull calves that are real prospects and heifers I should retain, but I am anxious to demonstrate what he is doing as a sire. Many of the females are in calf to and some of the calves at foot are sired by Imp. British Emblem, later added to the herd. In the results from these two sires I have equal confidence.

As to these cattle and their breeding I heartily submit them to the best judges and most severe critics of Shorthorns and Shorthorn ancestry.

Your presence sale day will be my pleasure.

Bapton Corporal brought to the herd through his illustrious ancestry the essence of the work of Cruickshank and Willis, breeding that inspires confidence and adds distinction to the herd. The get of his sire, Hoar Frost, are well known in this country. Among his importations brought here was Lady Dorothy, Grand Champion Female at the International Live Stock Exposition of 1916.

In conformation he possesses the qualities I particularly sought in a sire—an abundance of breed character, a great loose hide carrying a heavy coat, a compact carcass well balanced at both ends, and a carriage that denotes vigor and style. His use in the herd has been extremely gratifying, and the first of his results are listed in this sale, to demonstrate what he can do as a sire.

His show record in the southwest stands as follows: First in class and Junior Champion at the Kansas National in 1917; first price two-year-old at the same show in 1918; Grand Champion at Wichita and Oklahoma City in 1919. At the same time his calves won the leading calf herd and get of sire awards.

Were it not for the fact that two imported herd bulls were previously identified with the herd, and I cannot use a third bull to advantage, I would not offer 2d Fair Acres Sultan at any conservative price. A liberal number of the goods cows in the herd have been bred to him.

### **FAIRLAWNE ESTATE OFFICE Shipbourne, Tonbridge, July 19, 1918**

Mr. Park E. Salter,  
615 Fourth National Bank Bldg.,  
Wichita, Kans.

Dear Sir:

Mr. Gazelet has handed me your letter of the 29th ult., for which I am much obliged. I am more than pleased to hear "British Emblem" has done so well. I enclose a few particulars asked for.

I consider this family of "Goldies" to be one of the best in my herd. The dam of your bull, Gipsy Countess 3d, has been a great prize winner, including First and Reserve Champion at the Scottish National, First Oxfordshire, First Somersetshire and second at the Royal shows. She is the shortest cow I ever saw on the leg, very thick in her flesh, very even all over and certainly the best of breeders. In 1915 she bred me a grand heifer calf which I sold at my annual sale for 300 grs., last year she gave me a dark roan bull calf which will be sold this year, and I consider him the best I have to offer.

Gipsy Boy, the sire, was also a Goldie of red color, very short and thick fleshed. He was First and Champion at the Northern Show held at Aberdeen. Gipsy Countess 2d, the granddam, was also a good breeder. She bred me the bull, "Fairlawne Curfew," which I sold in my 1916 sale for 560 grs. The great granddam is a wonderful cow, having just calved a grand heifer calf in her 16th year. I am sure the bull will prove to get real good calves of the right type.

Hoping to have the pleasure of seeing you on some future date.

Yours faithfully,  
C. L. FOX.
